

SWIFT-X

CLASSIC HARD SURFACE CLEANER CONCENTRATE

SWIFT-X is a superior multi-purpose cleaner.

SWIFT-X is an ideal hard surface cleaner concentrate for removing oils, fats, and greases from walls, floors, and work surfaces. Inks, nicotine stains, some types of graffiti, mildew, and general industrial and catering grime are all easily shifted with SWIFT-X.

SWIFT-X can be used for cleaning any hard surface that will tolerate water, in bakeries, breweries, abattoirs, meat processing, cafés, restaurants and takeaways, especially where effective grease and fat removal from working surfaces, table tops, and floors is necessary.

In garages, railways, and airlines SWIFT-X is a first rate all round cleaner for cloth and PVC upholstery as well as for hard surfaces.

Use SWIFT-X for cleaning machinery, floors, walls, paintwork, work surfaces, shower cubicles, etc., whether plastic, vinyl, rubber, ceramic or metal.

Cleans street furniture, road signs, street lighting bowls and reflectors, and shifts nicotine stains from interior fluorescent lighting fittings.

METHOD: For heavy grease removal dilute 1 part SWIFT-X with 5 parts hot or cold water, and with up to 25 parts hot or cold water for general cleaning. Apply by spray, mop, sponge, or pressure washer. Wipe dry, or rinse off large quantities. For pressure washers dilute with 50 parts

STORAGE AND HANDLING:

Keep tightly closed in original containers. Keep away from sunlight and extreme temperatures.

Incompatible with bleach.

pH 12.0 ± 1.0

COSHH Data: A safety data sheet (MSDS) providing additional information is available on request.

Packaging Sizes:

4 x 5 litre jerrycans

25 litre drums

210 litre barrels

BENEFITS:

- General purpose hard surface cleaner
- Economical
- Effective
- Powerful
- Use on any hard surface that will tolerate water
- Do not use on galvanised surfaces
